

# French REDEMPTION PROJECT

*'Sharing hope in the French Speaking World'*

*To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me. Acts 26: 18*

October 12, 2010

Hello again!

After getting back from Canada with my parents this summer, I took a little time to catch up with my family while looking for a job to save money for travel back to France this coming January. The Lord has blessed and I was hired on full time very close to the house. I am working to have enough between my savings and support commitments to stay on the field through the Spring when I will return to the US for Missionary Training School with the Good Shepherd Baptist Mission. After that I will be seeking the rest of the support I need to continue to serve the Lord in France. I am trusting God to provide since I'm following His will. He has always been so good to me and I know He is faithful.

My work beginning in January is to rejoin the Apollos program as a staff member. This is a very exciting opportunity for me in the respect that I was blessed by participating in the program and now I have the opportunity to share that blessing with others. I have already "met" the five students participating this year via an internet phone and am confident that they will be blessed as they continue evangelizing and studying the scripture.

My new role is challenging for me so please pray that God gives me the strength and patience needed to prepare French foods! While I am a proficient cook, I have new techniques and styles of food preparation to learn. In addition to the responsibility of this practical work while the team is in class, I also need prayer for God's blessing in the weekly ministries of singing and doing street evangelism with the Apollos students.

I can hardly wait to be back on the field in this ministry that the Lord has directed me to. Please pray for the Apollos ministry team as it travels to many towns and churches to evangelize and to encourage the pastors and church members.

God Bless you all,

*Rachel Gostlin*
