

French REDEMPTION PROJECT

'Sharing hope in the French Speaking World'

To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me. Acts 26: 18

Bonjour,

July 11, 2013

Things are gearing up fast here at Camp Rainbow in Larodde, France! The Lord has blessed us with two teams who have come to help us install fully functioning bathrooms. Among those who have come to help with the building is a lost man named Patrick who comes and gives his time because he enjoys the conversation and hearing the beliefs of Christians. Please pray that he comes to the saving knowledge of our Lord Jesus Christ.

Teagan Holcomb has returned to spend another summer here. She has been a blessing in many ways because she is a hard worker and a serious Christian. We also have a young lady named Katie Lupkes who is interested in training in the Apollos Program and has come to work for the summer and to see the ministries here. If you know any young people who are interested in a Summer Immersion Program please put them in contact with me.

In May, Tim Knickerbocker cut his arm very seriously with an angle grinder and his recovery is slow but progressing. Tim is normally the head cook for the camp but this year Sephora, Tim and Elizabeth's daughter, and I will be sharing the responsibility in July and I will do it alone in August.

Many children and counselors come for the summer camps. We are praying for spiritual growth for those who know the Lord and understanding for those who do not. We all develop friendships and these kids come to hold special places in our hearts. What we want for them is to live a life pleasing to the Lord and to shine His light so that others may see.

I had the unique opportunity to work with a group of South Africans who are the descendants of French Huguenots who were forced out of the country centuries ago and, having kept their faith, are now excited about the opportunity to witness to the people in the country that refused them so long ago. It's a privilege to serve the Lord in this needy field and your prayers and support make it possible.

Sincerely,

Rachel Gostlin
