

Project REDEMPTION

'Sharing hope in the French Speaking World'

To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me. Acts 26: 18

Bonjour!

July 14, 2015

Since the reach of Project Redemption continues to expand, I have to believe that the Lord Jesus Christ may be placing a burden on the hearts of some of his people to get more involved. It seems reasonable to me that as we pray for God to develop the ministry, that the Holy Spirit would be speaking to hearts to direct them toward some facets of His work in French speaking countries. So I want to simply and directly outline some of those opportunities for which co-laborers are needed and ask you to pray that God's will be accomplished. *(Speaking french is not required for any of the options listed below.)*

- Do literature distribution while seeing, first hand, the spiritual need in France.
- Volunteer for one to three months to work in a Summer Camp ministry in France.
- Go with a Project Redemption team member to a developing field in Africa to provide the security and accountability that a partner provides and to help transport smaller quantities of literature and bibles.
- Inquire as to whether your Sunday School Class, Youth Group, or other small group ministry could partner with a Project Redemption missionary. Our team members in Central Africa have a great need for financial support.
- Give to provide for the shipping of Bibles, tracts, and other much needed printed material.
- Propose a special offering in your church for the establishment of Projection Redemption's training centers in Cameroon and Gabon, including the construction and completion of two buildings.
- Share the vision of Project Redemption with people who could join with you in prayer.

If the Lord should touch your heart about any one of these possibilities or you'd like more information about how to get involved, don't hesitate to contact me. May the Lord Jesus Christ bless you in His service!

Sincerely,

Mark Gostlin
