

French REDEMPTION PROJECT

'Sharing hope in the French Speaking World'

To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me. Acts 26: 18

Hello,

September, 2012

I am happy to report a wonderful camp season in Larodde, France! We were blessed beyond measure to see many come to accept the Lord Jesus Christ as Savior! We also saw a positive change in the attitudes and actions of these children and teens as well as many other decisions made to walk closer with the Lord and to be a better christian example to siblings and classmates in the coming year. We are praising God for his blessings and praying that these kids can fight the good fight in their homes, towns and schools.

Another praise for the French Redemption Project is God's provision of funds for our travel to the Ivory Coast. It was a test of faith as we sensed the Lord leading us in this direction and had no idea how He would provide for the travel and visas. God is good! He provided through several sources and we are now preparing to apply for our visas as well as updating our immunizations. It will be a big step for me as I work to improve my translating skills and rediscover the need for Jesus in the French speaking West Africa. I am looking forward to this experience and this opportunity to use what skills I have for my Lord and Savior Jesus Christ!

I have a prayer request to share as well: that the Lord would continue to work with and through the Apollos Program and that he would touch the hearts of those student-team members that He would have to participate for the 2013/14 scholastic year, whether they be American, French or any other nationality. We are praying that they would obey the call the God puts on their hearts and enjoy a fruitful year of learning while serving the Lord Jesus Christ.

I just arrived back in the United States for a period of deputation to raise the rest of the support that I will need to continue my ministry in France. If you or your church are interested in knowing more about what I do or in having me present my burden and ministry to your church please feel free to contact me. My cell phone number until November 5th will be (330) 391-8183 and my e-mail is: warriorlamb@gmail.com. I would love to hear from you in any case. Just to know that people are praying for this ministry is a huge encouragement and I would love to pray for you in return.

Sincerely,

Rachel Gostlin
