

Project REDEMPTION

Sharing hope in the French Speaking World'

To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me. Acts 26: 18

April, 2015

Dear Churches,

May the peace of our Lord Jesus Christ be with you all. All my family and I are happy that our Lord is permitting us to share some news with you. To Him be the glory for ever!

Matthew 28:19-20 teaches us to 'Go...and teach all nations.' This means that we cannot rest where we are but must go to action and preach the gospel. As we see in this Great Commission, we have not only a responsibility to announce the gospel, but also to care for new believers so that they understand how to follow the Lord Jesus Christ in baptism and to become fruitful members of the church and servants of God who are able to carry on this same ministry.

You have truly been instruments that the Lord has used to allow us to be trained and we are infinitely grateful for that. May He continue to multiply you, for you have this burden to see souls saved for His glory. Even though we have never seen you, you have entrusted us with your financial support without hesitation. We also wish, in turn, to thank Him for this and for giving us the strength not to disappoint you.

As far as the my family is concerned, we are carrying on well by the grace of God and the children have all passed to the next grade in school. Our concern now is our move to Sangmélina which will require us to rent a home there. We are praying for the Lord to provide since houses have become more difficult to find and are becoming more expensive.

Our vision is that of planting churches and establishing a training center to teach anyone who has the desire to know more of the Word of God. I have already begun to go there each month to evangelize and have made good contact with a number of people. I will go again on May 8th for the same work, by His grace. Help us in praying for these things.

We would like to close by thanking the Lord for Pastors Mark Gostlin and Yann Jouan for, without them, you would never have known us. May the Lord abundantly bless them, their families, and their ministries. May God Himself bless you and may He unite us even more to the end that we serve with the same heart. Amen!

Brother Emmanuel Bile
