

Project REDEMPTION

Sharing hope in the French Speaking World'

To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me. Acts 26: 18

Dear Brothers and Sisters in Christ,

January, 2015

Happy New Year. I am meditating about the subject of evangelism from 2 Timothy 2:2. In this text, the apostle Paul asks his son Timothy to retransmit to other faithful men that which he had heard from him and who, in turn, would be able to transmit the same to others. Dear churches, let's ask the Lord that He would help us to be able to work like this and in several years we could have very great results. May the Lord bless you.

Everyone in our family here is doing well by the grace of God. All our children have finished their first trimester and passed their exams. This gives us the occasion to thank the Lord together. They went back to school on the 5th of January.

As far as my wife and I, we have also finished the 1st semester in very good condition and we start again the 12th of the month. It is our last semester of classes. We plan to leave here in June to establish ourselves in Sangmélina where we believe the Lord has called us to serve him in church planting and in teaching. In this project, we do not yet have the funds to move or to rent a home. Pray with us that the Lord will accord us what is needed so that we can execute the vision He has given to us. We would like to have a house with a living room spacious enough to allow us to hold meetings in it. The little group in Nsam is doing fairly well in spite of the disruptions caused by my frequent trips to Sangmélina (2 times per month). There, I have begun to do evangelism and 5 people have already accepted the Lord. Beginning January 30 or February 1st, I plan to begin the next step and teach them about baptism. Pray with me for these trips, for this ministry, and for the teaching I will be doing.

I am training the young man (Valery OBAME) that I think the Lord would have work together with me in doing evangelism in Sangmélina. I believe that, by the grace of God, he could also enroll in the Bible Institute next year. He truly wants to serve the Lord.

We would like to close by thanking God for the blessing that He has accorded us and that you are. May God Himself fill you with all His blessings for that which you have done for His work here; that He would bless Pastor Yann and Pastor Mark because, thanks to them, we benefit from all these graces; and that He would bless their families who permit their absence to be with us. Mark 8:35.
